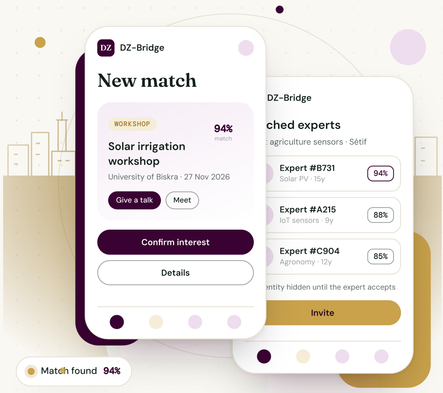
DZ-BRIDGE

Bridge *Algerian Expertise* with Organizations

Expert

Organization



From profile to impact in four steps.

1

Create your profile

Sign up as an expert or institution and complete your profile.

2

Find opportunities

Explore collaboration projects or discover relevant experts.

3

Connect & collaborate

Initiate contact, plan your collaboration and get to work.

4

Create impact

Share knowledge, transfer technology and build the future.

OUR COMMITMENTS

Your trust *comes first*.

Anonymous until you accept

Organizations see skills and fit, never names, until the expert says yes.

Two-step approval

The expert confirms interest before the organization is notified.

Private feedback

Ratings after each collaboration improve matching and are never published.

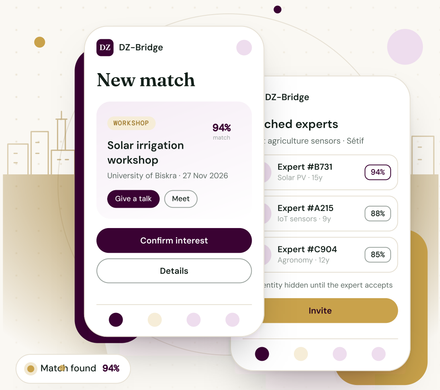
DZ-BRIDGE

Bridge *Algerian Expertise* with Organizations

Expert

Organization



From profile to impact in four steps.

1

Create your profile

Sign up as an expert or institution and complete your profile.

2

Find opportunities

Explore collaboration projects or discover relevant experts.

3

Connect & collaborate

Initiate contact, plan your collaboration and get to work.

4

Create impact

Share knowledge, transfer technology and build the future.

OUR COMMITMENTS

Your trust *comes first*.

Anonymous until you accept

Organizations see skills and fit, never names, until the expert says yes.

Two-step approval

The expert confirms interest before the organization is notified.

Private feedback

Ratings after each collaboration improve matching and are never published.
